**FRANCE MOTO ROAD TRIP new exhibitor at ITB 2018
Stand of France Hall 1.1 stand 201**

We are pleased to introduce you “**France Moto Road Trip**” which is a new Tour Operator specialized in discovering France by all-inclusive motorcycle packages.

Like the road 66 in the USA, France Moto Road Trip offers to take enthusiastic motorcycle on extraordinary journeys showcasing the gastronomy, culture and the most beautiful scenery of France.

The 5 first trips have been specially designed striking the right balance between the must-do and the must-see of tourist attractions like going through the French Riviera, Champagne, the Châteaux de la Loire, the Bordeaux wine country, La route Napoléon ...

Above all, we emphasis on small roads, authentic places, going through beautiful villages and typical atmosphere so you will have the feel of what the French way of life is!

In limited groups of 6 to 12 bikers, the trips are organized on an all-inclusive basis of a week of 8 days/7nights starting from Paris or Nice. Meet and greet, transfers, recent bike rental (range of 70 different motorbikes), itinerary, accommodation, meals, fuel, discovery spots, support and luggage transportation, etc. **All is included** so that everyone can make the most of their stay in France.

France Moto Road Trip was founded by Marc Gignoux. Company Director, Business School Professor ... with a huge passion for motorcycles, travel and a fine connoisseur of French gastronomy. A good few years of research and reconnaissance went into coming up with these different routes.

All our tours are in English or Spanish.

We look forward to hearing from you soon.
